THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Dear Marvin,

I would like to take this opportunity to congratulate the editors, reporters and sponsor of the Northwest Missourian for the excellent job they have been doing in producing their paper this fall.

Being a teacher in Denver, I find it necessary to read many things to keep up with the events taking place at my alma mater, but having the Northwest Missourian in my hand really makes the task enjoyable.

Particularly I would like to compliment you on the increased and improved sports coverage which the college weekly has had this year, and you deserve an additional "tip of the hat" for your coverage of the 1964 Homecoming festivities. I have also been happy to note an unbiased view of campus politics, which I have always thought were overemphasized anyway.

As a former associate editor of the Missourian, I have been particularly interested in reading it this year. It really keeps my wife, Gladys, and I

abreast of college happenings. Keep up the good work.

Cordially,
Jack Gray, jr.

MSC, Conception Seminary Hear Exchange Talks

Approximately 100 MSC students filled the Sycamore Room of the Union Building Dec. 1 to hear the Rev. Dr. Gabriel Franks of Conception Seminary lecture on the acceptance of the philosophy of St. Thomas by the Catholic Church.

Dr. Frank referred to himself as a modern Thomist as he developed the many problems that are involved in adapting the views of the 13th century philosopher to the realities of today. In the question

and answer period following his talk, Dr. Frank pointed to the advances made by modern psychology and existential thought. He did not think that either of these advances should mean a rejection of Thomism. On the contrary, he argued that the new discoveries of the 20th century actually supplement the truths of Thomism. "If the truth is valid in one period, it should be valid in all periods."

Wednesday, Mr. Floyd Barrows of the MSC humanities department, spoke on the subject of Existentialism: Its Meaning for Philosophy and Theology at Conception Seminary. He referred to the variety of existential views and the difficulty to identify clearly any one kind of existentialist as representative of all. One of the major problems in understanding the modern existential dialogue lies in such distinctions as Buber's "I-Thou" relationship, or Sartre's "Being-for-Itself."

This is the first of what may prove to be a series of exchange lectures between the two schools.

Forensics Club Posts Impressive Tourney Wins

The MSC Forensics Club returned from Bradley University, Peoria, Ill., with one superior rating, received by Ethelee Osborn, two excellent ratings and eight good ratings.

Miss Osborn ranked ninth of 116 contestants at the tournament. The excellent ratings were awarded Marjorie Hitchcock and Wanda Cox in oral interpretation and discussion, respectively. Miss Hitchcock and Charla Albertson, participating in only their second debate tournament, won 60 per cent of their debates on public work for the unemployed.

Bob Allen, Galen Buckey, Miss Cox, Miss Hitchcock, and Miss Osborn all received good ratings in extemporaneous speaking. John Robertson and Miss Albertson received good ratings in listening as did Sharon Carter in oratory.

Debate victories came over the University of Wisconsin, Millikin College, Wartburg College, Southern Illinois University, and the Wisconsin State Universities at Oshkosh and Whitewater. Mrs. George Hinshaw and Mrs. Jerry Winsor, forensics sponsors who accompanied the club, stated that two of the members have not had any previous experience and they were competing against students with two to three years of college debating and three to four years of high school forensic experience.

Two More Win

David Wasserfallen and Elbert Black, members of the MSC debate team, won half of their matches at the Novice Debate Tournament at the University of Missouri Saturday.

The MSC team defeated debaters from Grinnell College and the University of Missouri and sustained one of their losses from Wabash College, the top team at the tournament. Jan Howe and Sharon Carter also entered the tournament.

MSC to Participate In Service Program

Two departments at MSC are participating in the evaluation of final examinations being prepared for the United States Armed Forces Institute according to an announcement by Dr. Leon F. Miller, Dean of Instruction.

Near the end of this semester some 240 students in beginning chemistry courses will take trial examinations. Some 330 students in the beginning general psychology courses will also take examinations sent from the USAFI headquarters.

Military service personnel are enrolled in the USAFI program. The validation of several of the examinations for various courses is centered at Kansas State Teachers College, Emporia, Kas. Their Bureau of Educational Measurements has asked the college at Maryville to participate.

On a basis of these scores as well as the scores from many other institutions, the USAFI people will select items that appear to be appropriate to use in their correspondence courses covering these areas.

Christmas Ball Friday MSC To Host Wayne State Saturday Night

Coach Dick Buckridge's MSC Bearcats will be shooting for their first victory of the '64-'65 basketball season when they host Wayne State College of Wayne, Nebraska, Saturday night.

The Bearcats are 0-2 for the season having lost to William Jewell and Peru State College. MSC guard Joe Pierce, forward Mike Simon and center Dave Remund have handled the bulk of the Bearcat scoring.

The Wildcats are coached by Al Svenningson and are in the tough Nebraska College Conference. Wayne was 13-11 in overall action last year and finished third in conference action with a 5-5 record.

Five returning lettermen head a squad of speed and enthusiasm. The team lacks exceptional height and experience. Only one returning player scored dependably last season. Junior forward Dean deBuhr, 6-3, paced the team in scoring last year with 342 points for a 15.5 average. Sophomore center Bop Hope gives the squad a bit of height at 6-5 and probably will be the chief rebounder. In 18 games last season, Hope scored 85 points and showed considerable promise under the boards.

Guard Jim Murphy is the only two-letter man and one of two seniors on the squad. The spunky guard proved himself a capable field general last season. Forwards Randy Harkabus and Dennis Neubrand, 6-3 and 6-2 respectively, should be strong scorers this season.

Winter Evening is the Theme

Winter Evening is the theme of the all-school formal Christmas Ball to be held Friday night, Dec. 11, from 9-1 in the Lamkin Gym. The Village Stompers, an 8-piece band out of New York City, will provide the music. Tickets at \$2 per couple will be on sale in the den Wednesday-Friday from 11-1.

Freshmen and Transfer Students Required to Take Speech Check

A report from the speech office indicates that a large number of freshman students have failed to complete their speech check. This is required of all freshman and transfer students. Students can make an appointment in the speech office, room 115 of the administration building. The check requires only one-two minutes of the students' time and should be completed as soon as possible.

Students with speech impediments or speech difficulty are eligible to obtain clinical assistance in correction of their problems by members of the speech and drama department staff. Any questions concerning such assistance should be directed to Dr. Fulsom or Mr. Trubey.

MSC BOOK CLUB PLANS YULE PARTY

The annual Book Club Christmas party will be held December 16 at 7 p.m. at the home of Mrs. Lula Sheetz, 921 West Third Street. Charlotte De Somma, secretary of the club, will review one of the popular best sellers; Christmas music from the Sheetz stereo system will be provided, and refreshments will be served.

Transportation will be provided from Roberta Hall for Book Club members who want to go to the party.

William Jewell was third and Graceland was fourth in the 10-team tourney.

Maryville men copped championships in six of the 10 classes.

Allen Packer, Maryville's star 167-pound wrestler, was named outstanding wrestler of the tourney by coaches and officials.

Packer won his 167-pound classification in the tourney, 4-1.

Also winning their classifications were Al Borkowski, 177 pounds; Lonny Weiland, 157 pounds; Ron James, 147 pounds; Arnie Thompson, 137 pounds; and Clark Carnahan, 115 pounds.

Jerry Mason, 130 pounds, and Jim Perez, heavyweight, copped second places in their classifications.

The MSC wrestlers will open their home season Dec. 17 against Kansas State, perennial Big 8 wrestling power.

Schottel Names Top MSC Gridders

Coach Ivan Schottel has announced the 1964 Bearcat football awards for the past season, the best at MSC record-wise since 1952. The Bearcats finished 6-3 this year and 6-2 in 1952 under Ryland Milner.

Named tri-captains for the past season were seniors Glenn Acksel, St. Louis; Jim Redd, St. Louis; and Lonnie Irvin, Jefferson City. Acksel and Redd are interior linemen, while Irvin is a halfback.

Also named as temporary co-captains for next season were all-MIAA quarterback Leo Papas and all-league full-back candidate Mick Thompson. Papas will be a senior next year, Thompson, a junior. Both are 2-year lettermen at MSC.

Selected as the best blocker on the squad was tackle Dick Heinen, a senior from Algona, Ia. Heinen turned in several outstanding games on offense, also seeing action as a defensive starter. Heinen transferred to MSC two years ago from St. Benedict's, Atchison, Kas.

Named the best tackler on the squad was Ron Beck, a junior transfer from Dana College, Blair, Neb. Beck, from Exira, Ia., was the star defensive tackle and also played defensive end when needed.

Papas, Thompson and Beck will return for the 1965 season and will be keys to Coach Schottel's third edition of the Bearcats. The Bearcat grid mentor owns a commendable 9-8-1 record in his two years of rebuilding.

Intramurals

The Zero's beat the Zombies (PSE) 12-0 for the all-school championship in touch-football. Ken Cheeves, the punter for the Zero's, kicked two 60-yard punts and both touchdowns were scored by John Malcom on an intercepted pass and an end run. The Zero's won the Independent League title, while the Zombies took the fraternity crown.

The first four places in the Fraternity League in order are the Zombies (PSE), Young Studs (PSE), Jocks (TKE), and the 8½ Horsemen (Phi Lamb). The first four places in the Independent League in order are the Zero's, Belas, Animals, and the Independents.

Four Flippers When Swimming

Tau Kappa Epsilon won the intramural swimming in the Fraternity League with 34 points. The next teams in order were Sigma Tau Gamma with 19 points, Phi Sigma Epsilon with 17, and Phi Lambda Chi with 2 points.

The Four Flippers won the Independent League and the all-school swimming championship.

'Cat Basketballers Drop Pair to Jewell, Peru

Faculty hall handling and first game jitters proved to be the downfall of the MSC Bearcats as they fell to the William Jewell Cardinals, 70-68, Monday night in Lamkin Gymnasium.

Maryville jumped off to a commanding lead early in the tilt, but could not hang on as the Jewell full court press pushed the 'Cats' offensive game. Bill Summers and Keith Montague constantly applied pressure to the 'Cats,' stealing the ball almost at will and narrowed the lead, finally winning by two points.

Simon Gets 18

Maryville was led by Mike Simon, who potted 18 counters. Bill Yeager followed closely with 16. Dave Remund and Joe Peirce rounded out the double figure scorers, marking up 13 and 12 points, respectively.

Coach Dick Buckridge's Bearcats took a little of the cold weather with them to Peru, Neb., and it showed up in their shooting game in the contest with the Bobcats Friday night as they fell behind early and never caught up, finally losing 72-87.

Peirce turned in another outstanding performance for Maryville, pumping in 16 points, while Remund backed him with 15 and Richard

Woods with 10. Goslee and Bill Yeager added eight markers apiece for Maryville.
